## HOW IT WORKS

### Step 2 - Shop!

- Once you click on the retailers logo you are brought **directly to the retailers site** the same as if you visited their site directly
  - You will still have access to all sales, promotions, and discounts PLUS the percentage of Cash Back
  - Upon check out you will not see the amount of Cash Back due to you; The percentage of Cash Back you will be receiving is only displayed above the retailers logo on your shopping portal
  - **IMPORTANT:** please make sure your computer is setup to accept cookies; this is how your transaction is tracked

### Step 3 - Submit to receive your Cash Back

- Once you have purchased your item the retailer will send you an email confirmation/receipt for your purchase
  - This receipt needs to be submitted, along with a cash back form, within 90 Days of the purchase date
  - Forms can be submitted via email, fax or mail; please download the rebate form and filing instructions for further details
  - Please note: a flat \$4.00 processing fee will deducted from all Cash Back Checks upon processing
